## Profile

I am a passionate and motivated Software Developer with hands-on experience in the MERN Stack (MongoDB, Express, React, Node.js). I enjoy building modern, responsive, and user-friendly web applications. I am always eager to learn new technologies, improve my coding skills, and work on real-world projects. My goal is to grow as a full-stack developer and contribute to innovative software solutions.

## Professional Experience

### Teacher Assistant (internship),

Aptech Shahrah e faisal

05/2025 – 11/2025 | Karachi

I worked as a Teacher Assistant (intern) at Aptech for 6 months, where I helped students learn the MERN Stack (MongoDB, Express, React, Node.js) and supported teachers during lab sessions and projects.

## Languages

- English

- Urdu

## Education

### ADSE(Advance Diploma in Software engenering),

Aptech Shahrah e faisal

06/2022 – Present | karachi

I am studying BS Software Engineering from Virtual University and also completing my last semester of a 3-year diploma in Advanced Diploma in Software Engineering (ADSE) from Aptech. Through these programs, I am learning about programming, web development, databases, and software project management.

### Intermediate,

Govt Boys Inter College Gupis Distt. Ghizer (Gilgit-Baltistan)

06/2019 – 09/2021 | Gilgit-Baltistan

I completed my Intermediate education from Govt. Boys Inter College Gupis, District Ghizer (Gilgit-Baltistan), under the Federal Board of Intermediate and Secondary Education (FBISE), Islamabad.

### BS Software Engineering, Virtual University Pakistan

08/2025 – Present | karachi

I am studying BS Software Engineering from Virtual University. My degree focuses on learning how to design, develop, and maintain software systems. I am gaining knowledge in programming, databases, web development, and software project management.
